

## Wingina Trip by Bill Pearsall

Saul and Sheldon Mutchnick, Ken Barnes, Greg Henning, Nat Burgwyn, Tom Howell and T.C. Stone, Jim Mathers and Sally Richards, Walt Guard, Scott Candler, Dale Huggins and I braved the heat and low water for the annual Winginia trip – yes, there was thunder and burgers and also some fish. Check Walt’s picture for proof, I think he was the only one who caught one that size, but sure makes a good picture!!!

By the way, heat and thunder do not always bring rain. It sure fooled us!! We came in early to beat the storm that was rumbling on both sides of the river and then it stopped so we ate a little earlier. Good thing Nat arrived in time with the grill and table, I hate cooking those burgers on a stick!!

In all it was a good trip - with all of the essential elements: heat, thunder, low water, food, fish and good company!!
